

Scotchint™ and Scotchshield™ Window Films

Optional Platinum Limited Warranty

3M Company agrees to extend the time period of its standard Scotchint™ and Scotchshield™ Window Film Warranty to match the time period, conditions and limitations of your existing in force window manufacturer's glass warranty with like kind on the residential windows at the location named below to the purchaser of 3M Scotchint or 3M Scotchshield window film.

This optional limited warranty (maximum value of \$500 per window) applies to the glass on which 3M Window Film has been applied by an authorized 3M Window Film Dealer in accordance with factory recommended installation instructions. All windows that have 3M Window Film installed must be covered. Partial warranty coverage is not allowed.

The charge for the optional warranty is \$0.35 per square foot of film required for the installation. For warranty to become effective, application with payment must be sent to 3M CSLMD Warranty Program.

This 3M Optional Platinum Warranty application must include the following:

- A. Standard 3M Window Film warranty application.**
- B. A valid copy of the existing window manufacturer's warranty.**
- C. Worksheet identifying the location of all windows covered by the existing window warranty.**

Proof of window film purchase will be required so please maintain warranty record or sales receipt.

Notification of acceptance for Optional Platinum Warranty will be by return mail to the consumer. For warranty service, contact your 3M Window Film Dealer listed below or 3M CSLMD 1-800-480-1704.
